JIMMY IS BACKED BY
JUSTIN MADDERS MP

**“I'M BACKING
JIMMY SHANNON IN
WHITBY GROVES ON
THURSDAY 4TH MAY.”**

I think Jimmy will be an absolutely superb councillor for Whitby Groves. You won't meet a nicer, more compassionate and caring person than Jimmy Shannon, and that's what local people need. He's one of those people that rolls up their sleeves and gets stuck in. I hope you can support him on Thursday 4th May.”

Meet JIMMY SHANNON

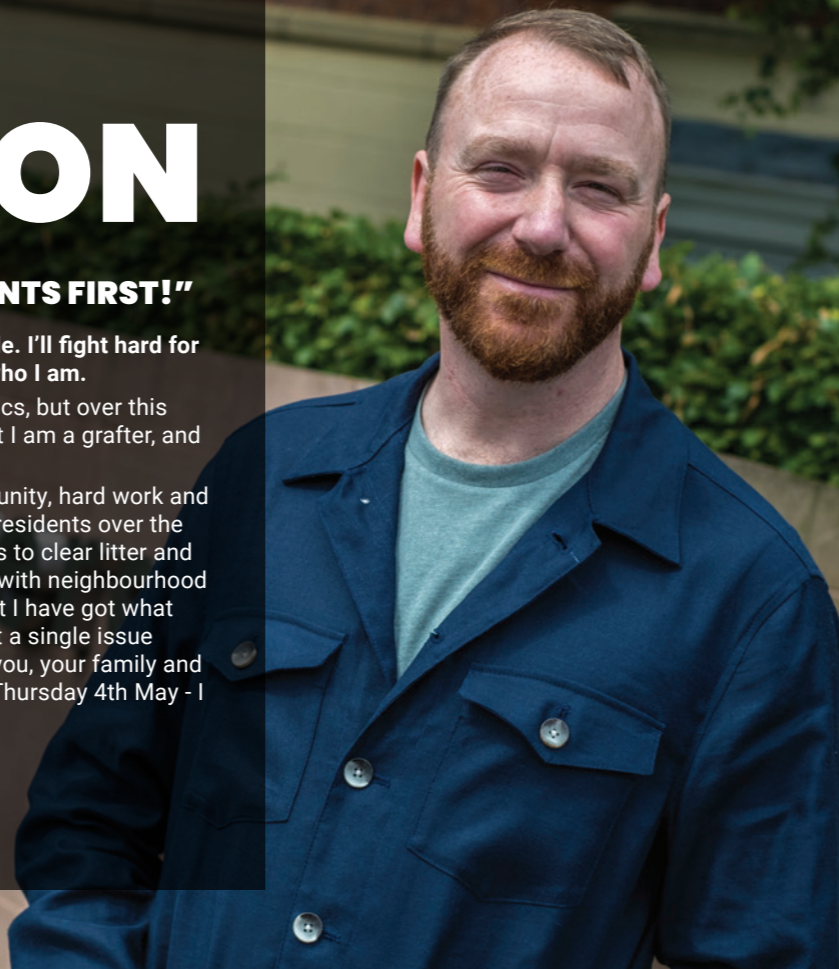

“PUTTING WHAT WHITBY WANTS FIRST!”

People who know me, know that I am for the people. I'll fight hard for the interests of Whitby residents, because that's who I am.

It's been a turbulent time in local and national politics, but over this past year I hope I have shown people in Whitby that I am a grafter, and that I don't give up easily.

I have traditional Labour values - I believe in community, hard work and fairness. So whether it's representing the views of residents over the hydrogen village proposal, organising clean up days to clear litter and fly-tipping in our community, or helping people out with neighbourhood issues like reporting road repairs, I have shown that I have got what it takes to be a proper councillor for Whitby. I'm not a single issue campaigner, I care about every issue. I care about you, your family and the town we live in. I hope you can support me on Thursday 4th May - I won't let you down.

JIMMY'S 5 BIG IDEAS FOR WHITBY GROVES

1 A VOTE AND AN 'OPT OUT' ON THE HYDROGEN VILLAGE

“After listening to local views, I successfully argued for a public vote. A Labour council will deliver this and we'll report the result to government. Following the debate at Civic Hall, Labour leaders have argued that people who do not want any changes to their property should be able to opt out and not be part of the trial.”

2 GETTING STUCK IN WITH LITTER

“I've shown I am not afraid to roll up my sleeves and get stuck in, and not just because there is an election on. These past two years I have been leading Ellesmere Port Wombles because I want to see some pride put back in the Port. I'm fed up with people who drop litter and I'll keep working hard to stop this.”

3 KEEP WORKING ON THE WHITBY PARK PROJECT

“Five years ago Labour councillors set off on a mission to sort out Whitby Park. Now we have new play equipment, a new theatre space and cafe, and a Green Flag Award which recognises the high standard of park maintenance. Stick with Labour, we get things done.”

4 DELIVERING AN AGE-FRIENDLY WHITBY

“We have an aging population in our area and that means we need to ensure that the services, shops, activities and infrastructure in Whitby supports people as they grow older. I will deliver a new project for an age-friendly Whitby to make sure this happens.”

5 SAFER, CLEANER & GREENER STREETS IN WHITBY

“I want harsher fines for people who litter, fly tip or leave dog foul. I have been working with our local PCSO on ways to tackle speeding and introducing new traffic calming measures in Whitby Groves. I want to see even more investment in a safer, cleaner and greener Whitby Groves.”

Mission 3:

PRIDE IN WHERE WE LIVE

“I want the best for our neighbourhoods and town centre. Despite a decade of government cuts, we have kept libraries, the sports village and community centres open. I believe that Labour is the last line against the Tory cuts.”

A VOTE FOR ME MEANS...

- ▶ INVESTMENT IN TOWN CENTRE, PARTICULARLY THE MARKET HALL AND NEW STARTER HOMES
- ▶ TOUGHER ACTION ON PEOPLE WHO FLY-TIP, LITTER OR LEAVE DOG FOUL ON PAVEMENTS
- ▶ MORE BRIGHT AND BEAUTIFUL WILDFLOWER MEADOWS ACROSS WHITBY

Mission 4:

ENVIRONMENTAL ACTION

“Labour will fund a new service that helps people make smart choices about how to reduce energy use in their homes to save money on your bills. We will also work with social housing providers to retrofit their existing properties.”

ACTIONS I WILL TAKE...

- ▶ FUND A LOCAL ENERGY ADVICE SERVICE TO HELP RESIDENTS SAVE MONEY ON THEIR BILLS
- ▶ SUPPORT COMMUNITY-LED INSULATION TO CUT CARBON & TACKLE FUEL POVERTY
- ▶ PLANT TREES IN SUITABLE GREEN SPACES TO TRAP CARBON AND CREATE WILDLIFE AREAS

THE TORIES HAVE BROKEN BRITAIN BUT IN WHITBY GROVES, LABOUR HAS A PLAN FOR HOPE

Vote Labour | Thursday 4 May | Polls open 7am - 10pm

5 THINGS LABOUR WILL DO FOR OUR TOWN

1

TACKLING ANTI-SOCIAL BEHAVIOUR

We will continue to work with the Police to tackle anti-social behaviour, including funding for community safety wardens and investing in CCTV in public places. We will also identify funding opportunities for new youth services, so that young people have things to do in our town.

2

PRIDE IN OUR TOWN CENTRE

Following the launch of Theatre Porto and the new bus interchange, we will continue with our plans to improve the town centre by modernising the Market Hall and converting the Flea Market into a multi-use event space. We will also continue to invest in green spaces, like the success of Whitby Park.

3

HELP AND SUPPORT WITH THE COST OF LIVING CRISIS

We will continue to fund support services for people who are struggling to make ends meet, and we will work together with community food groups to make life more affordable for people on low incomes, build stronger communities and reduce food waste.

4

COMMON SENSE ACTION TO STOP UNAUTHORISED ENCAMPMENTS

We will take action to secure sites which have commonly been used for unauthorised encampments, instead identifying better sites with appropriate facilities for travelling communities.

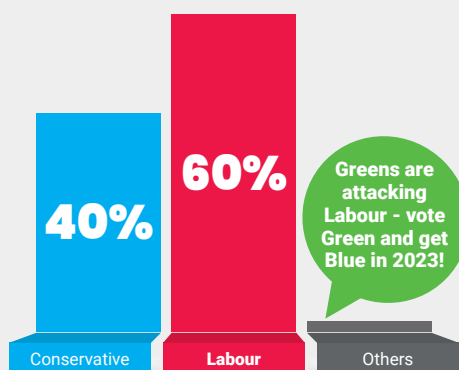

5

ACCESS TO QUALITY JOBS, EDUCATION & TRAINING

We're working with local schools, colleges and employers on new opportunities to put Ellesmere Port at the forefront of innovation in hi-tech manufacturing, automotive manufacturing, engineering, recycling and energy generation.

STANDING UP FOR WHITBY

IT'S YOUR CHOICE ON THE HYDROGEN VILLAGE

The Government and Cadent recently proposed a trial to use hydrogen for heating and cooking in some homes in Whitby.

This is **NOT** a council decision. However, Labour councillors and our MP listened to local concerns and took action to represent your views to government and to Cadent.

Now, households that don't want to be part of the trial don't have to be anymore. These properties can opt out, they will keep their current appliances and remain on natural gas throughout the trial.

People who wish to join the trial are now able to choose to do so.

For the general safety and security of people in Whitby, Labour remains committed to the 5 practical tests we set out based on resident views.

We still think these must be met before the Government makes any decision to proceed with the trial:

- Public vote**
No support, no trial.
- Price guarantee**
Energy prices must be same or cheaper.
- Safety framework**
The HSE needs to state this trial is safe.
- Green hydrogen**
Hydrogen needs to be clean and green.
- Local jobs**
Any new jobs need to be for local people.
